in northwest suburbs. This scene on Irving Park rd. in DuPage county shows how a record holiday snowfall stopped traffic cold. Here a snowplow inches its way through heavy drifts to open the highway while the wind immediately nullifies the effort by piling in new snow. Many plows broke down under the strain and village, township and county road departments spent thousands of extra dollars fighting the weather. Many worked all day Christmas fighting the huge drifts which in many places were eight feet high.

Five school districts to hold special election January 19 to legalize present school calendar

The Arlington Heights Township High School, District 214, Arlington Heights Elementary School District 25, Elk Grove Consolidated School District 59, Prospect Heights Public School District 23, and the Wheeling Consolidated School District 21 will hold a referendum Saturday, Jan. 19, 1952, asking their voters to approve a plan which would allow these schools to extend the school year beyond nine calendar months.

A recent court decision defined the school year as nine calendar months which means that schools beginning on September 3 must end on June 2. The legislature followed this court opinion and gave school districts the privilege of extending their school term beyond nine calendar months by a vote of the people. Schools are required to be in session at least 185 days. If 185 days are included with the two weeks' Christmas vacation plus one week spring vacation, it is impossible to teach 185 days within this nine-month period.

The above districts mentioned are asking that the voters approve this referendum so that they may continue with their present school calendar which extends a few days beyond June 2. If the voters fail to carry this referendum successfully, vacation periods will have to be shortened each year. Since the Christmas vacation has passed, it will mean that all of the schools concerned will have to eliminate spring vacation following Easter Sunday. Most parents and students want a good Christmas vacation as well as at least one week's vacation in the spring.

In view of the above facts, Paddock Publications endorse and recommend voters' approval of the request of the above mentioned districts. We believe that better results are obtained by schools if the teachers and students are given periodic school vacations.

Heights building passes record set in 1950 by \$162,000

Builders did big business again in Arlington Heights during 1951, the total exceeding last year's record of \$6,207,634, by \$161,936. Homes built, however, dropped 134 below the all time high of 464 established in 1950.

The new Illinois Bell Telephone exchange costing \$491,000; the new Catholic school for novices, \$420,000; St. Peter Lutheran school activity building, \$172,000; Public school, \$300,000; Emerald Manufacturing, \$120,000; Presbyterian church sanctuary, \$125,000; commercial garage and stores, \$114,000, were responsible for swelling the year's total to beat the record established in 1950.

HOME PERMITS issued during each month of 1951 and the costs are listed in the following table:

Month	No.	Amount
January	51	\$844,000
February	22	305,700
March	49	544,050
April	38	454,163
May	50	691,950
June	22	268,302
July	21	266,173
August	15	192,700

TOTAL 330 \$4,453,431

PRIVATE garages built during the past year numbered 140, and cost \$120,517; while alterations to homes and businesses numbered 54, and cost \$53,622.

Since January 1948 Arlington Heights has gone on record for more than 20 million dollars worth of building and alterations, which includes a total of 1,202 new homes. The approval of the sewer and water extensions late in 1951, the delay of which prevented the opening of contemplated subdivisions during the past year, will probably see building soar to a new high in 1952.

Reveal details of Route 14 program to be let this year

The highway construction and right of way acquisition program for the 67th biennium includes the following projects on U. S. 14 between the Lake-Cook county line in Barrington and the Wisconsin state line: 5.18 miles of base widening to 24 feet and bituminous resurfacing from the junction of Ill. 31 and U. S. 14 southeasterly to a point 1,200 feet west of the Lake-McHenry county line. The project is estimated to cost \$380,000 and includes the reconstruction of the northeast ramp at the intersection of U. S. 14 and Ill. 31 and also a township highway grade separation over U. S. 14 at Cary.

4.83 miles of new concrete pavement will be laid from Main st. in Barrington to 1200 feet west of the Lake-McHenry county line. The improvement in Barrington will be a solid 4-lane pavement. From Barrington northwest the balance of the improvement will be two 24 ft. pavements separated by a 40 ft. median. The estimated cost is \$1,900,000. Construction will involve building one bridge over a stream, one dry land bridge on a peat bog, and 6 peat bogs to be filled.

2.56 MILES of base widening to 24 feet and bituminous resurfacing from the junction of U. S. 14 and Ill. 31 west to Crystal Lake. Estimated cost, \$163,000.

Right of way acquisition for future 2 @ 24 ft. pavements separated by a 40 ft. median on the Woodstock belt line. The estimated right of way cost is \$100,000.

7.32 miles of new portland cement concrete pavement on the Harvard belt line and north to the Wisconsin State line. The improvement will consist of 2 @ 24 ft. pavements separated by a 40 ft. median on the belt line north to the Wisconsin State line separated from the existing pavement by a 40 ft. median. The estimated cost is \$2,000,000. One new highway separation, one new railroad separation, and one new bridge over a stream will be built.

THE MILEAGES, estimated costs, etc., for the above projects are from the latest available figures and for this reason they differ to some extent from those given in the "Suggested Program of Highway Construction and Right of Way Acquisition for the 67th Biennium" which was released to the public on May 15, 1951.

All of the above projects with the exception of the Harvard belt line and from the belt line north to the Wisconsin State line are included in the "Program of Primary Highway Projects for the Calendar Year 1952." The work on the Harvard belt line and north to the Wisconsin State line was omitted from the 1952 program because it was thought the plans could not be completed and the rights of way acquired in time to permit award of the construction contract before the end of 1952.

Annual Lake-Cook meeting January 15

The twenty-fourth annual meeting of the stockholders of the Lake-Cook Farm Supply company will be held at the Rand field house in Des Plaines Tuesday, January 15.

Family escapes with nothing but night clothes as home burns

The T. P. Fitzpatrick family, Waverly rd., Pinegate Highlands, northeast of Arlington Heights, were fortunate to escape with their lives early Sunday morning when their home burned to the ground.

The fire, similar to the Coffey fire in Arlington Heights in that it is believed to have started in the garage, had gained too much headway before being discovered by Mr. Fitzpatrick. Pinegate does not have a fire protection district and the Arlington Heights fire department was summoned. Not having the proper equipment to fight rural fires, the Arlington department soon ran out of water.

Three fire departments

In the meantime the Mt. Prospect and Palatine fire departments were called but the fire had advanced too far and the three departments fought in vain to save the home. A 1949 Ford was also destroyed.

The frame ranch home, built a little over a year ago, was covered by insurance, but none of the furnishings or personal belongings carried insurance. The Fitzpatricks have three sons, Terry, 9, Michael, 6, and Tommy, 2, and a new addition to the family is expected in a few weeks.

Mr. and Mrs. Robert Schultz, neighbors, gave the family refuge the first day, and Monday they moved in with the Richard C. Daleys, who are also neighbors, and will remain with them until other arrangements can be made. Mrs. Daley and two children have gone to visit her parents in another state for three weeks.

Good neighbors

Not a stitch of clothing, save the sleeping apparel the Fitzpatricks were wearing, was salvaged. Within two hours after the fire, people from the subdivision and from nearby towns began streaming in with food and clothing for the entire family. Harry and Sons service station, southwest corner of State and Rand rds., aided in the collection of clothes. Some folks even brought toys for the children.

Need home

"People have been more than generous," said Mrs. Fitzpatrick, "many offering to take in our family until our home is rebuilt. But with three kiddies and a fourth soon to arrive it would just be too much of an imposition. However, if someone is going away for a few months and would care to rent their home or apartment to us for three or four months, we would be very grateful."

Pinegate Highlands Improvement association has started a fund raising program for the family, which is in charge of Enio Seppala, Waverly rd., and Paul Wallgren, Sunset drive.

Thank firemen

The Fitzpatricks wish to thank all three fire departments for responding to their call. They believe everything possible was done to try to save their home, and sincerely appreciate the efforts put forth by the firemen.

Holiday accidents

number 30; four persons suffer injuries

Ice-packed streets plagued holiday motorists, and northwest suburban police and garage attendants were kept busy as numerous traffic mishaps were reported.

Four persons were injured in at least 30 accidents reported by the authorities.

Robert S. Albrecht, 26, of 214 S. Oak st., Palatine, and his wife, Elaine, 24, were injured Wednesday, December 27, when their auto collided at Rand and Rohlfing rds.

Willard Warlin, 40, of Fox Lake, driver of the second auto, told police that he was blinded by the sun causing him to run through a red light at the intersection. Albrecht had just started through the intersection when struck by Warlin's auto.

Malcolm Shroyer, 17, of Lake Zurich, reported that his auto skidded on icy pavement at Rand and Elmhurst rds., causing him to crash into a car operated by Russell Gebhardt, 37, of Chicago. Gebhardt and Janis Rackow, 16, of Barrington, a passenger in Shroyer's car were injured. Both were taken to St. Francis hospital at Evanston.

Tuesday, January 15.

The business coming before the stockholders is changing articles of incorporation to increase common stock to 10,000 shares, class "B" stock to 20,000 shares and issuing 8,000 shares of class "D" preferred, 2% twenty-five dollar par value, reviewing the business, payments of patronage refunds, electing five directors and disposing of other business.

'Doc' says Snow not bad, winter of 1918 was 'best' yet

Although there was about two feet of snow, soft and white, on the ground, it's not a record for these parts by any means, according to Dr. B. T. Best of Arlington Heights, who has been keeping records of daily weather activities all his life.

Now past his three score and ten, the good physician still in active practice, recalls way back in 1918 when it was so tough for man, car and beast it was necessary for him to resort to snowshoes to reach a patient about a mile away.

"WE HAD about four feet of snow on the level," he recollects, "and the autos did not run to any extent for about six weeks."

Winter that year began in earnest in December and for a period of 18 days the temperature did not hover much above zero. It was the toughest winter he can remember and the total snowfall was well over five feet.

According to his statistics, 26 degrees below zero is the lowest official recording for this section, although some spots may have recorded lower.

The trouble with many thermometers, he says, is that they can act up and become as temperamental as the weather itself.

Announce winners of Yule decorating contest

The Arlington Heights Chamber of Commerce is announcing the winners of the Christmas home decorating contest sponsored by them.

First prize of \$25 went to Melvin Born, 1007 E. Olive; second, \$15, William J. Wimmer, 728 N. Ridge; and third, \$8, R. H. Mathers, 306 W. Elm.

According to Walter Hanson, Chamber of Commerce secretary, there were 23 entries. This is the first year the Chamber has conducted such a contest and it hopes to make it an annual affair.

Judging, originally scheduled for December 21, but postponed due to bad weather, was done December 27. Judges were Mrs. C. E. Burns, secretary of the Palatine Chamber of Commerce; Mrs. Irene Haberkamp of the Mt. Prospect Chamber; and Donald King, teacher at the South school.

Prizes were presented to the winner by Harry Knaack, president of the local Chamber.

Infant's coughs awaken mother who finds smoke filled house

Four-month-old Michael Coffey, son of Mr. and Mrs. Donald E. Coffey, 414 E. Rockwell, Arlington Heights, is credited with saving the lives of his parents and brother and sister, when fire gutted their home early Saturday morning.

Michael began coughing, which awakened his mother, who at first thought he would go back to sleep. When he coughed again she got up to look at the baby and smelled smoke. She aroused her husband who went downstairs to investigate.

The lower floor was filled with smoke and flames were visible in the two car garage attached to the house. Coffey's first reaction was to get a bucket of water to throw on the flames, but when he realized it was far beyond that stage he got his family out and summoned the fire department.

JOSEPH RAFFEL, his next door neighbor, who was awakened by Coffey, took in the family and went back to their home with Coffey to await the fire department.

"As we watched the flames shoot upward," said Raffel, "we knew there wasn't anything that could be done to save the garage and two cars it contained."

The firemen arrived promptly and Fire Chief Elroy Winkelman and his men did everything within their power to save the house. Little damage was done by water, but flames scorched the walls and furniture, and smoke covered all the rooms with soot.

IT TOOK three hours to get the fire under control, with 15 volunteer firemen working every minute of the time. The Frank Schwankes, also neighbors, served coffee and refreshments to the firemen. Other neighbors, the George Hobens, also lent a helping hand.

A 1951 Cadillac and a 1950 Chevrolet convertible were burned to a crisp. Practically all the household furnishings were ruined, and the garage was a complete loss. Damage is estimated to be between \$30,000 and \$40,000.

Fire Chief Winkelman said the fire apparently started in the garage but the exact cause has not been determined. The property was covered by insurance.

The Coffeys are staying at the home of friends in the Barrington Countryside, Mundelein, and have hopes of returning to their home soon. Decorators are already on the job, and the furniture has all been taken away to be refinished. The heating system was not damaged by the fire and thus made it easier to start repairing the home.

TV talent search deadline Tuesday

Students in the Arlington Heights high school district still have time to enter the TV Forecast magazine's talent search, January 8 being the deadline for entries.

THE WINNER, whether he or she shines as a vocalist, instrumentalist, novelty actor or dancer, will be chosen to represent this community and act as guest star on the Rubin's "Stars of Tomorrow" television program January 27.

Interested entertainers may enter the contest if they are 16 or older, simply by writing a letter or filling out the entry blank found elsewhere in this issue. Auditions will be held January 15.

ORIGINALLY entries for this contest closed December 11, and the winner was to have been saluted on the TV program last Sunday. However, weather conditions prevented entrants from getting into the WGN studios for the auditions, so a new date had to be selected. All previous entries will also be auditioned on the new date.

Besides appearing on "Stars of Tomorrow," the winner will receive the talent salute certificate, a free week end at the famous St. Joseph, Mich., resort hotel, the Whitcomb, and a paid engagement in the hotel's variety show the following Saturday night.

Heights Legion Post plans square dance

Arlington Heights American Legion Post will sponsor a square dance Saturday, January 12, at the Post home at 121 N. Douglas st.

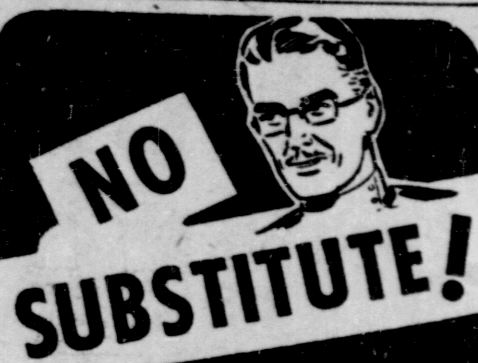

Free instructions to beginners will be given and refreshments will be available. The public is invited. No admission will be charged.

The William Andres and the Walter Jacobs entertained Mr. and Mrs. B. Latke and Mr. and Mrs. Robert Jacobs Christmas day.

Chief gives tips to keep new year happy

"Happy New Year," Chief of Police Carl H. Skoog of Arlington Heights told all his visitors yesterday, "and see that you keep it that way."

The chief said he was thinking about the fact that January and February, the two worst weather months of the year, are right ahead.

"SOMETIME this winter, probably about a week ago, the millionth person died in a traffic accident," he said. "If your relative or friend was that millionth person, it won't be a happy New Year for your family, and if it was a stranger, who died in an accident in which you were involved, it wouldn't be a happy New Year for you. Keep your New Year happy and safe."

The Chief issued the following

suggestions for driving during snow and ice conditions:

1. Get the "feel" of the road when starting out by applying your brakes gently when no other vehicles are near.
2. Adjust speed of vehicle to weather and road conditions. Be especially careful at school zones, intersections, crossings, curves, and bridges.
3. For severe snow and ice conditions, use tire chains. Even with "winterized" tires, chains are needed when streets are especially slippery, because only steel chains bite into hard-packed snow or ice to cut stopping distances nearly in half and enable traffic to move up hills or in fairly deep snow.
4. Be sure your windshield wiper blades clean without dangerous smear, and that defrosters are working.
5. Keep your brakes equalized. Uneven brakes cause skids.
6. Be sure your lights are properly aimed. Never drive so fast you can't stop within the distance you can see.
7. Never jam on the brakes to stop on slippery streets. Pump your brakes gently to avoid throwing the car into a skid.

McHenry theatre guild plans second half of season

Plans were under way for sponsorship by the McHenry county theatre guild of the second half of the 1951-52 season in the Woodstock opera house by Carl Stohn productions. The second five plays of the season will be resumed Friday, Saturday and Sunday nights beginning January 11, 1952.

Subscription memberships, good for ten admissions, are again available at a discount of 20% off box office prices from members of the McHenry county theatre guild. The memberships may be used by individuals or for guests up to a total of ten admissions, at any time during the season.

First play in the new series will be "The Kid from Brooklyn," beginning its three-night run on Friday, Jan. 11.

Other plays included during the season in the New Year will be Benjamin Kaye's romantic comedy, "The Curtain Rises," "Hilda Crane," written by Samson Raphaelson, and the Wm. McCleery "Good Housekeeping."

Explain need for Boy Scout camp fund drive

by ARNOLD HATCH

One thousand Boy Scouts of N. W. S. council were turned away in the past year because present facilities at Camp Napawan, Wis., will only accommodate 100 Scouts per period. With four periods available, 400 Scouts out of 1,400 eligible to attend is all that can go in any one year. In other words, 1,000 out of 1,400 Scouts are denied the benefits of outdoor camping.

Since scouting is run strictly on a no profit basis, the only way to enlarge Camp Napawan sufficiently to accommodate all Scouts is to raise the necessary funds by seeking help of citizens all owe the responsibility to youth of seeing they receive the fundamental training in true American ideals such as they receive in scouting.

Executive board of N. W. S. council approved a summer camp fund drive in which they must realize \$50,000 so the present camp can be enlarged sufficiently to accommodate all Scouts entitled to benefits and pleasure of two weeks of camping.

Camp Napawan is located due west of Oshkosh in Wisconsin on a deep set, well stocked lake, forested with pine, making it an ideal setting for an outdoor Boy Scout camp where hundreds of boys may participate and learn the outdoor scouting skills so vital and necessary to American youth character development.

W. D. Steele, president of Benjamin Electric co. sparked the summer camp fund drive with a \$1,000 contribution in honor of the firm's fiftieth anniversary of manufacturing electrical products. Other business people who have contributed substantially to this project are: Do-All Co., E. Spyrison, and R. D. Armstrong of Des Plaines; Robert Charles of Mt. Prospect; Les

youngest son, Warren, is serving with the armed forces in Korea; and the balance of the children live on Chicago's far south side and in the south suburbs.

In recognition of their father's retirement, the Stevens' sons and daughters and their families honored them at a dinner at Phil Schmidt's followed by a party given at the home of their oldest daughter, Mrs. Richard Curtis of Dalton, Ill. Their children presented them with a 19" television set.

CIRCLING THE TOWN

BY PHYLLIS KNIGHT

Now that the holidays are over, we can sit back, relax—and survey the results. Houses which have accumulated more than their share of Christmas muck and fuss can be "weeded out." Christmas toys, placed around the tree for display, can be relegated to the playroom, and a sad farewell said to the Christmas tree.

Housewives can settle back into the "plain cooking" routine after two weeks of fancy items, which leave memories

WSCS opens year with afternoon luncheon Tuesday

New year activities for the Woman's Society of Christian Service of the Arlington Heights Methodist church will begin at 1 p. m. Tuesday afternoon when a covered-dish luncheon will take place in the church parish hall. Mrs. Marvin W. Prellberg's circle members will be hostesses at this event.

Guest speaker for the day will be Rev. C. Victor Brown, minister of the Arlington Heights Presbyterian church, who has chosen the Biblical theme, "Mary and Martha," as his subject.

A hymn sing will follow the devotional meditation which will be presented by Mrs. Charles Kule.

Mrs. Maynard W. Whitelaw, president of the organization, will preside at the business session of the meeting. Mrs. H. J. Gregg, first vice-president, will introduce the program.

A nursery attendant has been engaged to care for children that afternoon.

McAuliffe, Arlington Heights; Fred L. Gillick Co., and Park Ridge Lumber Co., both of Park Ridge.

Letter requests for contributions have been directed to citizens and business houses of N. W. S. council, which includes Barrington, Lake Zurich, Palatine, Arlington Heights, Mt. Prospect, Prospect Heights, Des Plaines, Wheeling, Park Ridge, Lincolnwood, Niles, Norwood Park, Edison Park and Skokie.

All contributions should be forwarded to Northwest Suburban council, Boy Scouts of America, 18 S. Northwest hwy., Park Ridge.

This finance drive is in no way connected with the local annual finance drive for necessary operating funds of the council.

Pacific railroad. Miss McKinney made use of cardboard mannequins, dressed in replicas of latest styles.

She helped solve the mystery of "traveling light" for many women, and showed how to dress well and appropriately while traveling with a limited amount of clothes.

The Florida-bound, those planning summer vacations and those who simply wanted tips on new clothes styles found Miss McKinney's talk a good way to start the new year.

Blessing in disguise
The snowy stormy weather the week before Christmas proved to be a blessing in disguise to two groups of local citizens — and such are the groups that most every one is involved one way or another—the merchants and the customers.

Each day of increasingly bad weather played havoc with more resolutions to shop in Chicago, and consequently, more villagers did their Christmas shopping right here in Arlington Heights.

With Uncle Sam
In Korea

Pfc. Harold Radloff, son of Mr. and Mrs. E. J. Radloff, Arlington Heights, holding Ambrosia, a Japanese war orphan. The picture was snapped on Thanksgiving day.

A week later Harold left for Korea, arriving there December 1. He has been overseas since May. His address is: Pfc. Harold Radloff, US 55041858, Hq. Co., 1st Bn., 179th Inf., APO 86, Postmaster, San Francisco, Calif.

In California

Ivar H. Stockel, son of Mr. and Mrs. Ivar H. Stockel of 907 Ioka st., Mt. Prospect, and husband of the former Miss Virginia M. Vickers, daughter of Charles J. Vickers of 33 Dean st., Annapolis, Md., is moving with the U. S. naval postgraduate school from Annapolis, where the school has been located since 1909 to its new site at Monterey, Calif.

This move en masse is believed to be the first time in the history of education that an institution of higher learning has been transferred intact across a continent without sacrifice of time from its current academic calendar.

In Korea

Sgt. Robert K. Holsman, Palatine, shown above, has been awarded the bronze star for heroic action while serving with the 31st infantry regiment in Korea.

Sgt. Holsman, then a private, was given the following citation: On June 6, 1951, near Hwachon, Korea, the machine gun section of which Private Holsman was assistant gunner was assigned as a support unit in an attack on a strongly entrenched enemy located on a strategic hill.

Unable to give the assaulting units complete supporting fire, Private Holsman assisted in moving the machine gun from a concealed position to an exposed site on the forward slope. With complete disregard for his personal safety, Private Holsman remained in the exposed position and laid down a steady stream of supporting fire. His courageous action enabled the assaulting units to rout the enemy and secure their objectives with negligible casualties.

In England

Among U. S. Naval personnel who helped play Santa Claus to a group of needy English children in London was Arnold L. Busse, teleman seaman, USN, son of Mr. and Mrs. Fred W. Busse, 304 E. Evergreen ave., Mt. Prospect.

From Georgia

Pvt. Robert Koelper of Wheeling is enjoying a furlough from Camp Gordon, Ga., where he is in the Marine Signal Corps.

In Japan

At a colorful ceremony held recently on this U. S. Air Force base in southern Japan, Lieutenant William F. Bennett of Northbrook was awarded the Air Medal.

Lt. Bennett, pilot on a C-46, was awarded the Air Medal for meritorious achievements while participating in Combat Cargo missions. Lt. Bennett participated in such vital Korean airlift operations as the evacuation of the Hamhung - Hungnam beachhead and the paratroop attack at Munsan-ni.

While officers and airmen of the 437th stood at attention on the wing's flight line, Colonel John R. Roche of Davenport, Ia., and Naperville, Ill., the wing commander, presented the award to Lt. Bennett.

The 437th has been serving for twelve months with the 315th Air Division (Combat Cargo) and has become part of the Korean airlift.

Many flights are made to small, bomb-torn front-line airstrips where 5-ton loads of supplies carried by C-46 Commandos are hastily unloaded and taken to the United Nations forces on the Korean battlefield.

At other times road and weather conditions made it necessary to paratroop vital supplies to combat units. These flights are often made in hazardous weather and over treacherous Korean mountain ranges.

Lt. Bennett's wife, Kathleen and his two children, Barbara and Patti, live in Northbrook.

Back with 5th Army

Last week marked the second time in his army career that Lieutenant Colonel Fred N. Larsen Jr., husband of Mrs. Julia Larsen, Mt. Prospect, was assigned to Fifth Army headquarters. The first time was in North Africa, in August, 1943.

Colonel Larsen, who was recalled to active military duty December 12, 1951, is the assistant supply officer in the operations and plans division, Fifth Army headquarters, responsible for Army operations in 13 midwestern and western Great Plains states.

During World War II, Colonel Larsen also served overseas in the Southeast Asia command and in the China-Burma-India theatre of operations. Prior to his service in North Africa and Italy with Fifth Army headquarters he was assistant supply officer with the 45th infantry division. Before this assignment he attended two army schools—command and general staff school and task force school. During the interim between schools, he served as assistant supply officer at Second Army headquarters.

A graduate of the University of Wisconsin in 1939, Col. Larsen was vice-president of Habel, Armbruster & Larsen, Chicago, flour jobbers and brokers, from 1946 until his recall into the service December 12, 1951.

SNOW AND YOUR TELEPHONE SERVICE

Your telephone service hasn't been very good recently. At times we may even have had to ask you to make only urgent calls—or to keep your calls brief. We're sorry that this happened. Perhaps you'd like to know why it did.

Christmas was too white!

With aching snow shoveling muscles still fresh in your mind there's no need to remind you that the weather has been—as the Californians say—"unusual."

It's easy to see how the record snow affects transportation and the condition of your sidewalk, but how the snow affects telephone service isn't quite so apparent. Two things happened when this record snow hit. First, everyone naturally turns to the telephone to get things done—or to visit. Second, we all talk longer because there's so much more to talk about—and so much less to do.

These two things combined produce a telephone traffic jam. Normally our company handles about 11 million calls a day. One day during the big snow that figure jumped to 16 million calls—an all time record! See what we mean?

More equipment needed

There's a way to handle 16 million calls a day, but it takes more telephone equipment than we've got now. Before World War II we were able to build our telephone system with a margin of safety in it for times like these. That "margin of safety" has disappeared in too many locations with your big postwar demand for more telephone service.

We're doing our best to get a margin of safety back into the telephone system. Our plans are made. But we'll need a lot of time, materials, equipment—and a lot of dollars. Without these dollars, which investors must furnish, plans are just blue-prints. In the meanwhile we'll continue to provide the best telephone service possible.

Thanks for your help

Most of the girls at the switchboards managed to get to work despite the worst conditions, and did their best to give you service. They, and the other telephone folks, appreciate your cooperation. Please accept the thanks of all of us.

At MIT

Ronald G. Wiegand, son of Mr. and Mrs. A. Wiegand of 732 S. Beverly lane, Arlington Heights, who is now attending the Massachusetts Institute of Technology in Boston, has recently been elected to Kappa Kappa Sigma, an honorary M. I. T. fraternity for students in chemistry and allied fields. Election to this organization is based on scholarship, character, and active participation in extra-curricular activities.

Ronald is a senior in biology and is active in the Sedgwick Biological society.

At Illinois

Richard Hull and Bob Runyon, both of Arlington Heights and freshmen at the University of Illinois, left Wednesday with other members of the university band for California. They stopped at Denver and played at the East West game in San Francisco Saturday. On New Year's day they marched in the Tournament of Roses parade and played at the Rose Bowl game. Returning via the southern route, the group stopped at the Grand Canyon. They will arrive at the university Friday.

CHRISTIAN SCIENCE CHURCHES
The wondrous fact that God (good) lovingly gives all, and that man is free to take all that God gives, will be explained in all Churches of Christ, Scientist. The title of the Lesson-Sermon on Sunday, January 6, is "GOD."

The Golden Text is from II Samuel (22:31) "As for God, his way is perfect."
Bible selections (King James Version) in the Lesson-Sermon include these passages:

"Oh how great is thy goodness, which thou hast laid up for them that fear thee; which thou hast wrought for them that trust in thee before the sons of men. . . . Teach me to do thy will; for thou art my God: thy spirit is good; lead me into the land of uprightness" (Ps. 31: 19; Ps. 143: 10).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"Good. God; Spirit; omnipotence; omniscience; omnipresence; omni-action. . . . No wisdom is wise but His wisdom; no truth is true, but His truth; no life is Life but the divine; no good is good, but the good God bestows. . . . Christian Science takes naught from the perfection of God, but it ascribes to Him the entire glory" (pp. 587, 275, 262).

Favorites for Flavor

By LOIS SEILER
A recipe for a flavorful, juicy meat loaf is shared with us this week by Mrs. R. M. Conrad of 203 N. Belmont, Arlington Hts.

Either all hamburger or part hamburger and part pork sausage may be used in making this loaf. Rolled oats give the meat loaf body, and tomato juice, chili sauce and beaten eggs add to its flavor and juiciness. And, of course, chopped onions are included in this savory mixture.

Mrs. Conrad received this recipe from her mother, and it is a favorite dish in her household. Easy to make and economical to serve, this meat loaf makes ideal company fare.

Small, individual meat loaves can be made from this recipe, which add an unusual touch to a dinner, and make for easy serving. Also, each portion will be nicely browned on all sides.

And you needn't worry about the individual loaves drying out, for one of the most important features of this meat loaf is that it stays moist.

Bacon strips can be laid on the top of the loaf and baked. This flavors the meat loaf nicely.

Meat Loaf

1 1/2 pounds hamburger or part pork sausage, ground
1 1/2 cups rolled oats
1 1/2 cups tomato juice
2 medium onions, chopped fine
2 beaten eggs
4 tablespoons chili sauce
1 1/2 teaspoons salt
Pepper to taste
Mix all of the ingredients together and stir thoroughly. If mixture is too dry, add a little milk.

Shape in a loaf and place in roasting pan. Pour water in the pan around the loaf and cover with lid. Bake 1 1/2 hours at 350 degrees.

Remove the lid the last half hour of the baking time to brown the loaf. Serves eight.

Conservation group to hear about life in forest preserve

Members of the conservation and garden study group of the Arlington Heights Woman's club will hear Mrs. G. Rex Volz give her personal impressions and opinions on living in a forest preserve January 10 at 9:30 a. m. The meeting will be held in the home of Mrs. G. F. Schneberger, 615 N. Haddon ave.

Mrs. Volz, whose husband has been associated with the Cook County Forest Preserves for the past 20 years and is at present superintendent of division 1, will give her firsthand observations on the management, maintenance and abuses of the local forest preserves. She is well equipped to do so; she and her family have lived in the forest preserve near Des Plaines for the past five years.

Mrs. Volz is well known in and around Arlington Heights. She has been very active in past years in many local organizations, including the Parent-Teachers Association and the Girl Scouts, as well as the Woman's club. She is a vivacious and colorful speaker and well informed on her subject.

Co-hostesses at this meeting will be Mrs. W. G. Franke, Mrs. W. P. Hermesdorf and Mrs. C. C. Purvis.

Pearl harbor
Historic Pearl Harbor, five miles from Honolulu harbor, got its name from the oysters which formerly bedded there. It is a double estuary of Pearl river, a small stream.

Woman's club honors memory of late civic worker, Mrs. Geo. Parker

In recognition of the service that the late Mrs. George Parker gave during her life time to her community, the following eulogy was read by Mrs. M. F. Daniels before the Arlington Heights Woman's club at its session Wednesday afternoon.

"Maude Parker moved to Arlington Heights in 1903. She immediately identified herself with the Woman's club. In the 35 years she was an active crusading member and a public spirited citizen of Arlington Heights.

"She was a tireless worker, pioneering a number of the projects of the club, especially during the years just before and after World War I.

"Following the great influenza epidemic of 1918 she was one of 15 appointed by the mayor to act as the club representatives on a Public Health committee. She served on this committee many years, as long as she was physically able to attend meetings. She was president for nine years. She was untiring in her efforts to finance and maintain a public health nurse in Arlington Heights.

"She was particularly interested in child welfare and served on that club committee for years. She worked hard to have infant and pre-school clinics held regularly. She pioneered a kindergarten sponsored by the Woman's club until school funds were available to finance it.

"Red Cross claimed her zeal. Largely through her efforts the Woman's club sponsored Red Cross Home Nursing classes. An enrollment of 130 was secured, and the classes were held all through the winter of 1919-1920.

"Her work for veterans was considerable. Even as late as World War II when she was 80 years old she was putting in time regularly folding bandages in Red Cross units.

"She was a charter member of the Legion auxiliary and served two terms as president of that organization and was serving as honorary chaplain at the time of her death.

"These verses from Proverbs 31 come to mind as we think of Mrs. Parker.

"Who can find a virtuous woman for her price is above rubies. She stretcheth out her hand to the poor, yea she reacheth forth her hands to the needy.

Mrs. Albert Sedlack of 142 Sheridan st., Rockford, Ill., has formally announced the betrothal of her daughter, Elizabeth Jane, to Dale Gordon Williams, son of Mr. and Mrs. Paul Williams of Arlington Heights. The couple are planning to be married June 21.

The home of Attorney and Mrs. John Early, 1302 National ave., Rockford, was the setting last Saturday afternoon for a tea at which the couple's engagement was announced. The Early's daughter, Eleanor, was party hostess, and Mrs. Williams came from Arlington Heights for the occasion.

The bride-elect is a graduate of Keith Country Day school, West high school and Beloit college. On the Beloit campus, where she majored in history, Miss Sedlack served her social sorority, Kappa Alpha Theta, as rushing chairman, and she was a member of the Woman's Athletic association.

Miss Sedlack is a past member of the Junior department of Rockford Woman's club, and at present she is a member of the Intermediate department. She is active in volunteer work for the Red Cross and is doing personnel work at Rockford Ordnance plant.

Her fiancé was graduated from Arlington Heights high school and Beloit college, and he is now studying for his doctor of philosophy degree in chemistry at the University of Minnesota. Mr. Williams is a member of Phi Beta Kappa, honorary fraternity, and he was graduated with honors in chemistry.

He was president of his social fraternity, Sigma Alpha Epsilon, president of his senior class, and co-captain of the football team. He is an associate member of the American Chemical society.

"These verses from Proverbs 31 come to mind as we think of Mrs. Parker.

"Who can find a virtuous woman for her price is above rubies. She stretcheth out her hand to the poor, yea she reacheth forth her hands to the needy.

Engaged

Mr. and Mrs. Herman Langguth of Arlington Heights, announce the engagement of their daughter, Dolores, to Harold Goeddeke, son of Mr. and Mrs. Otto Goeddeke of Roselle.

Auction night to highlight meeting of Mothers' club

The Mothers' club of St. Peter Lutheran school, Arlington Hts., will hold its annual auction night in the school basement January 11. The meeting will begin at 8 p. m. and the auction will follow the meeting.

Lester Rusch, sixth grade teacher, will be the auctioneer. Members are asked to donate bakery goods, handwork, toys and knick-knacks. All sorts of articles will be welcomed.

All members and guests are invited. Refreshments will be served.

Allan Griffith takes Shirlee Haegele as bride

In a setting of roses, pine trees and pine boughs Miss Shirlee L. Haegele, daughter of Mr. and Mrs. George Haegele Jr. of Burlington, Iowa, became the bride of L. Allan Griffith, son of C. L. Griffith of Arlington Heights, December 29.

Rev. Birger Dahl officiated at the candlelight ceremony held at Berry Memorial Methodist church, Chicago, at 7:30 p. m. Mrs. Pauline Cronkite, soprano, sang "Ich Liebe Dich," "Until" and "The Lord's Prayer," accompanied by Mrs. Logan Eldredge at the organ.

The bride, given in marriage by her father, wore a gown of champagne tulle, long pointed leg-of-mutton sleeves, a full skirt and a train. Her fingertip length veil was held in place by a bonnet, and she carried a spray bouquet of ten green orchids.

Barrington at Palatine Friday; host to Dundee Saturday

by G. A. McELROY

While Northwest conference teams will see limited action this coming week end due to vacations in some schools, nevertheless some of the best attractions of the season are on the card. The conference schedule calls for third place Wauconda (4-2) with high scoring Bob Nolan playing at Grant High in Fox Lake, the league's second place team with a 5-1 record Friday night. Also Friday Barrington will make their annual visit to Palatine's narrow cage court where the Bronchos always have trouble winning, regardless of the strength of their teams. Saturday Barrington has a home double bill with Dundee which is a natural from the standpoint of interest.

Grant rates as much as a 10 point favorite over Wauconda in spite of Nolan's scoring ability. Nolan probably will have his low scoring total of the current campaign for John Stob and Art Sinejal of Grant are mighty tough boys on defense as well as offense around the basket. Nolan scored 86 points in three Grayslake Holiday Tournament games this week for a tournament record and will be a tough boy for any team to stop.

PALATINE'S CAGERS have played some good games and quite a few which were not so good. They have won only two while Barrington comes to town with an undefeated club in conference competition which has had only one close game. Potentially Palatine rates a good deal better than their record and they are expected to get going anytime now.

Coach Moylan has moved "Tinker" Meyer and Pete Abrahamson from the soph team to the varsity with the hopes of developing a team made up of as many underclassmen as possible. These two six foot sophomores along with Dick Abrahamson and Paul Schrage, juniors, and Don Buenzo, rangy senior center, make up the probable lineup which will face Barrington's three time champs Friday night. Ken Mangels, senior, and John Busch, six-foot-four junior, are other boys who play in every game. The Palatine boys may give Barrington much more opposition than expected.

THE BARRINGTON Bronchos have been playing fine ball, but like last year lack a six-foot-four or five center. They have a dead eye crew, though, when it comes to basket shooting and the best ball handlers in the circuit, if not in the area. Barrington's interest this week end will be more on the big return game Saturday night with Dundee than the game at Palatine. Last Thursday at Dundee the Harman coached Bronchos led all the way except the final score and lost, 60-59, in a game which had the fans on their feet in a thrilling finish. A 47-43 overtime victory in the frosh-soph game gave the Barrington teams an even break.

Saturday's games at Barrington both promise to be nip and tuck battles between two of the better teams in this area. Both teams to Crystal Lake by six points and the latter last Saturday was in the finals of the 16-team Hinsdale Holiday Tournament.

COACH HARMAN will have Jack Schwemm, six-foot-two guard, available for the first time in a month. Schwemm broke a wrist in practice and the Barrington coach has been reluctant to take a chance on putting him back in the lineup.

Glenbard rallies to beat Bisons in tourney, 48-45

Glenbard's varsity basketball team opened their first round of competition with a 48-45 victory over the Bensenville Bisons before 900 fans Wednesday afternoon in the Hinsdale gymnasium.

The Bards, although given this victory, had more than a tough time trying to convince the Bisons of it. The winning margin was really only one point, but Glenbard's Ronnie Willis swished a pair of charity tosses after the final buzzer had sounded.

CO-CAPTAIN John Wise spearheaded the Glenbard attack when he collected five field goals and four free throws while Ronnie Willis hit on three baskets and four free tosses for a total of 10 points.

Karrigan of Bensenville, however, took scoring honors for the game when he racked up five field goals and five charity throws for a total of 15 points while teammate Palm hit on four field goals and three charity tosses.

The Bisons kept the Bards within scoring distance at all times and even took the lead once themselves.

As the game dwindled down to the last minutes, the Bisons had themselves a first round victory but the Green came from behind to take the game out of the fire.

TO MAKE THINGS worse for Glenbard third Hilltoppers fouled out. Frost, Walker, and Wise found themselves on the bench after they had committed their fifth miscue late in the fourth frame.

Bensenville had their griefs, also, when their starting guard, Symkewicz, was removed from the game because of fouls.

The Bards got off to a quick lead that built up to a 16-10 advantage by the time the end of the first frame rolled around but the Bards saw their first quarter lead narrowed down when the Bisons rallied in the second period to outscore the Hilltoppers, 11-7.

The third quarter was even worse. They watched the Bensenville squad steadily creep up on their winning margin and finally take over. The Bisons had a two-point advantage as both teams swung into action the fourth quarter.

With Dick Weichenhain as the ringleader of a fourth quarter rally, Glenbard plugged away until they had tied the score in the closing minutes.

FRIDAY, JANUARY 4, 1952

Palatine basketball coach, Gene Moylan, will have his hands full when his Pirates tangle with Barrington on the local court Friday night.

Palatine's big home game of the season and the first athletic contest of 1952 will be Friday with Barrington. The Bronchos have had their own way for the past three seasons and by winning again this year can tie Palatine's record of four straight championships won in 1939-43. On paper it looks like Grant, who lost 45-43 to the Bronchos in the league opener, is the only club capable of beating Barrington. However, Palatine has always given Barrington a close game on the Pirates' narrow court. Palatine will have a height/advantage and unless Barrington points for this game they might have their hands full. The fact that Barrington is host to Dundee Saturday will tend to cause the Bronchos to concentrate on the Cardinals to whom they lost, 60-59, last week. All this will be to Palatine's advantage but we rather doubt if it will be enough unless the vacation period drills bring improvement in Palatine's defense.

CARDS AND BISONS to start winning more in 1952

The showing of Arlington Heights and Bensenville against strong opposition in the Hinsdale tournament should be very encouraging for their followers and indicates that both teams will need to be reckoned with the rest of the season. We predict that Arlington will come through with several victories in the West Suburban conference during the next six weeks. If Dale Shymkewicz, scoring pace, Bensenville may make a strong first division bid in the remaining games. We think Palatine will come up strong in January though Barrington Friday and Libertyville Saturday is a tough starting combination for the start of the new year.

REALIGNMENT COMMITTEE reports

The committee on realignment of schools in the North Suburban and Northwest conferences has met and a set of suggestions or tentative recommendations has been sent to each of the schools for consideration. The two conferences will discuss the various propositions at their league meetings next week. Each principal will discuss them with faculty, students, and board members.

Then January 23 at Lake Forest 18 school representatives will again meet in a general get-together to decide if any action is to be taken. Actually any changes will not be effective until the fall of 1953 or nearly 18 months hence.

The committee recommended that McHenry be added to the North Suburban conference since they now have an application pending with that group. Secondly, the committee definitely recommended that Warren and Grayslake be shifted to the Northwest conference of smaller schools. To take their place in the North Suburban it was felt the logical schools to move would be Barrington and Palatine. These two have been winners lately with Barrington getting the bulk of them.

Barrington has good athletic facilities and Palatine will have an excellent physical education plant before 1953. Barrington and Palatine rank second and third in Northwest enrollment, being exceeded only by Grant.

Third, Northbrook is asked to give a definite statement of whether they will be in existence as a school with athletic teams. If an answer cannot be given they will not be considered in plans for the new line-up of schools.

Fourth, the Northwest conference is asked to consider the admission of Marengo and Harvard to membership. No lineup of schools will go into effect unless three fourths of the group approve.

MAC SAYS

concerning whom there is no thought of any change. None of the principals have suggested any change in their status. In the Northwest the five are Antioch, Wauconda, Elmhurst, and the two to be moved from the North Suburban, namely Grayslake and Warren. In the North Suburban those staying together without question are Zion, Lake Forest, Libertyville, Crystal Lake, and Woodstock. The status of Barrington, Bensenville, Grant, Palatine, and Northbrook of the Northwest and McHenry, Marengo and Harvard, the outsiders, is the question to be decided.

As chairman of the realignment committee we would like to receive comments from fans in Bensenville, Barrington, and Palatine on the questions and committee recommendation discussed above. Address comments to G. A. McElroy, principal, Palatine township high school, Palatine. We would like to publish some comments in this column.

Palatine at Libertyville this Saturday night

Libertyville this year represents, we believe, the average of strength in basketball in the North Suburban conference. With a possibility that Palatine will be shifted in a year or two to that group makes the Palatine at Libertyville game Saturday night an interesting one. The fact that Palatine lost to Wauconda by one point, who in turn lost to Libertyville by a single point should make this game a tossup with the Wildcats' home court advantage likely to be the determining factor.

Hawks regain first place in

Wheeling Blackhawks won a forfeit victory from the Peasants Oilers Thursday evening at the Winnetka community house, to gain a tie for the league leadership. The Oilers are under a suspension due to a flare-up in their game with Conney's earlier last week.

However, league director, Wes Krey had an all-star team assembled to oppose the Hawks for the evening. The all-stars were composed of players from all the teams in the league, both A and B divisions being represented.

Paced by Gene Lesch, former Refiners Pride star, the Hawks defeated the all-stars, 48-38. Lesch hit 11 field goals for 22 points. Joe Cusker was runner-up for the Hawks with 12 markers. The all-stars were led by Johnny Lennon, Peasants' long shot ace, with 18 points. All free throws were waved by both teams to speed up the game.

IT'S BOWLING SUNDAY 120 KEGLERS COMPLETE IN PADDOCK TOURNEY

Inter-League handicap at Palatine to be annual affair

One hundred twenty bowlers of 24 squads representing an even two dozen men's bowling leagues are slated to compete Sunday, Jan. 6, for honors in Paddock Publications first annual Inter-League Handicap at Hi-Way Recreation in Palatine. The 24 squads are sponsored by businessmen representing 15 different occupations with a large traveling trophy, five individual trophies, and \$180 in cash hanging in the balance.

Competing teams are league leaders of men's leagues rolling at bowling establishments within the 16 community area served by Paddock Publications, including seven from Hi-Way Recreation in Palatine, five from Arlington Heights Bowling Lanes, four from both Wheeling Recreation and Mt. Prospect Bowling Lanes, three from Bowlwood Recreation at Wood Dale, and one hailing from Trausch-Linden Recreation in Bensenville.

COMPLETE roster of teams, with list of personnel, team averages and team handicaps have all been released. Starting times appeared in print last week and are repeated here in an adjoining column. Actual alleys of competition for the various fives will be drawn one half hour before starting times.

All that is left is actual rolling on the part of the keglers. The chips are down with those 24 squads certain to fill both the 3:15 and 7:45 shifts, plus four teams included at 5:30.

Sponsoring businessmen represent six taverns, two drug stores, two real estate firms, two cab companies and two vendors of organizations, plus a service station, flower shop, dry goods store (one of the oldest in the area), a trucker, cleaner, well driller and painter.

THE HANDICAP set-up for the tournament is 70 per cent, based on 1,000, 500 pin limit. Tournament managers felt such a mark would make the tournament "anyone's ball game," yet not provide too great an obstacle for top squads to overcome.

Any team with a 761 average or less received the maximum fare of 500 pins. Ten squads qualified for the limit. Other handicaps were 494, 473, 473, 468, 458 and 420. In the 300 bracket totals were 382, 373, 353, 328, 319, 315, while the top two teams have help to the tune of 286 and 263 pins.

UNUSUAL ASPECTS of the tournament are plenty with several cases of brothers in competition. Lou Haake Jr. of Mt. Prospect, however, is the only man who will compete for honors twice. He holds a 184 average in the Tuesday Businessmen league in Mt. Prospect, rolling for Haber-kamp Flowers at 3

Dundee leads Barrington for 15 secs.—the last—win, 60-59

by DUNLOP ANDERSON

Bob Allen's corner shot with 15 seconds remaining gave Dundee's Cardinals a 60-59 victory over Barrington's Brownies Thursday night on the Dundee court. Allen, with 24 points, led the Little 7 conference champs in an uphill fight which saw Barrington leading by 12 points as late as the third quarter.

In the sophomore game, Barrington dealt Dundee its first loss of the season, winning in a thrilling overtime 47-43.

Barrington started quickly in the varsity encounter and ran up a 12-2 lead half-way through the first quarter. However, Dundee gradually started to overcome the deficit and trailed 21-13 at the quarter and 38-33 as the half ended.

THE TWO well-coached teams played on even terms the third quarter with the Northwest conference champs holding a 55-49 lead as the teams started the final quarter. The last eight minutes proved to be the downfall for Les Harman's lads as Dundee, sparked by Allen's timely shooting, outscored the Bronchos 11 to 4 in the last period.

Both teams displayed accurate shooting from the field. Gene de Lacey's cagers hit 19 baskets in 62 attempts for 30% while the Bronchos connected on 20 for 55, a 36% average. At the charity line Barrington cashed in on 19 for 25, a remarkable 76%, while the Cardinals had a very good 73% on 22 for 30.

Fred Cochran, slim Barrington junior guard, again led the Broncho scoring attack as he tallied 18 points. Barry Berg-horn, another junior, had 14 to his credit besides doing a fine rebounding job for the losers. The Cardinals' Bob Brettschneider followed Allen with 14 while Bill Lindemann had 12.

DESPITE its lack of height Dundee played a smart and aggressive floor game which en-

abled it to overcome a game but relatively inexperienced Barrington squad. The Broncho lineup included four juniors and one senior throughout the contest.

In the preliminary contest Coach Harold Gaffney's Barrington quintet handed Howdy Spain's Dundee five their first defeat of the season by winning in overtime, 47-43. The game was keenly contested throughout with Barrington holding a slim 17-16 lead at halftime, and 29-28 advantage after three quarters. Tied 40-all at the end of regulation time, the Ponies scored seven points in the overtime on baskets by Bunny Lindberg and Elmer Saveley, two free throws by Roy Dewitz and one by Dick Popp.

Jack Beth of Dundee led all scorers with 17 markers while Saveley netted 13 for Barrington. Dewitz followed with nine for the winners, and Lindberg eight.

Letters at Bradley

Gordon Busse of 836 N. Mitchell ave., and John Deininger, Jr. of 909 S. Walnut, both of Arlington Heights have been named to the B-Club at Bradley University after earning a letter in football this season.

The B-Club, or letterman's service club, is open to all wearers of varsity letters. They perform a number of worthwhile services, such as distributing Christmas baskets, for the school and community each year.

Elgin finesse cops Hinsdale tourney, 52-39

Elgin's Maroons repeated as winners of the Hinsdale Holiday Tournament by beating Crystal Lake 52-39 in the final game. Crystal Lake's outstanding team beat Proviso 58-45, Hinsdale 46-43, and Evanston 50-48 to reach the final round establishing themselves as one of the better teams in the Chicago area. Argo, the tourney favorite, was beaten in the first round by Elgin, 58-49.

Glenbard bows out of tourney in Evanston loss

Swamped by a tremendous first quarter lead, Glenbard's varsity was eliminated in the quarter-finals of the Hinsdale tourney by the Evanston Wild-kits who rolled over the Hill-toppers, 49 to 43, before 1,200 fans Friday afternoon in the Hinsdale gym.

The triumph pushed the Wild-kits in the semi-finals with Crystal Lake who earlier in the afternoon toppled the host team, Hinsdale, 46-43.

The first quarter was fatal for the Bards. Evanston coasted the rest of the way after taking a 13-4 initial frame lead. It was a dismal start for the Green who later picked up to put some pressure on the lanky Evanston-ians.

EVANSTON'S PAIR of forwards, Henry Brandt and Wes Doyle, spearheaded the Wildkit attack. Brandt was high with 15 points while Doyle chalked up 13 markers.

However, Glenbard's Ronnie Willis, who played one of his best games, walked off with scoring honors when he racked up a total of 17 points. Dick Weichenhain was second of the Glenbard scorers when he swished 3 field goals and two charity tosses.

Lake Forest cops Grayslake meet; Nolan gets 86

Lake Forest's fine basketball team made a runaway of the Grayslake holiday basketball tournament this year to repeat as champion. The Scouts swamped Libertyville 71-41 in the final game after beating Northbrook 87 to 29 and McHenry 58-31 in earlier rounds.

Wauconda beat Warren 68-45 in the first round with Bob Nolan getting 37 points but were nipped 60-59 by Libertyville in the semi-finals in spite of Nolan's 34 points. Wauconda took third place trophy by beating McHenry 67-46 with Nickel getting 17 and Nolan 15.

DeKalb at Carbondale

The Northern Illinois State basketball team will travel to Carbondale Saturday, January 5, for an IAC game with Southern Illinois university. Then, on the following Monday, they will move to St. Louis to play a non-league game with Washington university.

The Huskies, by virtue of their 74-68 loss to Western Michigan, now have a 1-5 record for the year. They played one of their best games of the season against the powerful Michigan five, however, and could be nearing winning form.

Heights nears upset, but falls to Joliet in tournament overtime

Wayne Hesch held the key to Arlington's chance for tournament victory Thursday afternoon against Joliet, but the ball wasn't willing. It rolled off the hoop, outside, and the game went into overtime. A pair of free throws gave the enemy the contest in the extra three minute period.

Joliet, not rated too high but still a definite favorite over Coach Ray DeGreeff's boys from Heights, pulled away to a 12-7 opening period margin in the Hinsdale tournament, and increased it to 26-17 at the half.

The locals dropped in just two from the field the first quarter and three more the second. The game appeared to be in the bag at intermission with Arlington slated for its fifth loss in six games. Two of these losses had been by a single point, and one by five scores.

THEN HEIGHTS came to life and looked like a basketball team. With big Jay Vawter leading the way, the entire squad put on an exhibition of determination that scared the pants off the big city boys from Joliet.

The Cardinals moved up to a 29-32 margin going into the final period, then kept on to a one point lead with three minutes remaining. It was definitely anybody's ball game with Arlington fans pulling for an upset.

WITH JUST 25 seconds remaining, the score tied, Arlington elected to control the ball until the final second when Wayne Hesch, shooting from about the free throw line, tossed the ball onto the rim only to see it drop out, and the game go into overtime.

Heights controlled the ball the first two and a half minutes of the overtime, then shot for the basket but missed. Two rebounds also failed to hit the mark and Joliet moved down the court.

With 18 seconds remaining, a foul was called on Hesch, which brought the payoff free throws. One desperate shot by Heights was no good.

Scoring was divided between six boys with Vawter sinking four baskets and dropping in seven of nine charities. Chamberlain also dropped in a quar-

tet of two-pointers for nine scores, while Schmidt had a two and five record for nine points.

Joliet went on to lose to Highland Park, which in turn lost to eventual winner, Elgin.

NEW DEARBORN LOADERS

FOR THE FORD TRACTOR

**Save Your Back and Muscles—
SAVE MONEY, TOO!**

No matter which of 3 models you select you will be doing your back and arms a big favor. Think what a loader could mean in loading manure, gravel, sand, coal, grain, . . . in lifting out old posts, moving machinery, boxes, bales, and dozens of other objects. And you get "a lot of loader" for a low price because all models have the same basic frame, lift arms and ram cylinders.

Any model can be attached to the Ford Tractor in 30 minutes or less; detaches even faster. Material bucket, manure fork or crane attachment for all models. (Priced and sold separately.)

STANDARD LOADER (Illustrated)

Lifts 750 pounds with Ford Tractor Hydraulic Touch Control. Bucket or fork dumped by convenient mechanical lever. Kits available to convert this model to either of the two models below.

HEAVY DUTY LOADER

Lifts 1000 pounds. Has own hydraulic pump driven by front end of tractor crankshaft. Leaves tractor's hydraulic mechanism free for operating blade, scoop, etc. on rear. Kit available to convert to model below.

HEAVY DUTY LOADER WITH HYDRAULIC BUCKET CONTROL

Same as Heavy Duty model except bucket can be hydraulically held in any position, dumped or partially dumped when raised or lowered. Handy when digging into material for "right" angle of attack. See us about these great new loaders!

Deputies raid Wheeling hotel; grab 3 slots

Frank Morgan, 38, of Union hotel, Wheeling, was arrested Saturday and charged with keeping a gaming device. He was released on \$100 bond to appear in Milwaukee ave. police court Wednesday.

SHERIFF'S deputies reported that they confiscated three slot machines at the hotel operated by Morgan.

Lt. Ed Witry said the raiding officers had to move a piano away from a door and then smash the door to "rain entrance to the room where the slot machines were kept."

The officers had no search warrants.

Bernice Van der Vries to be a candidate

Mrs. Bernice Van der Vries, 139 Maple st., Winnetka, state representative from the seventh district, whom members of the Illinois legislative correspondents association last summer voted "one of the outstanding legislators in the 67th general assembly," will be a candidate for re-election.

Nominating petitions are being circulated in the district for Mrs. Van der Vries, and she is expected to file for office on the first day for filing, January 14, 1952. The seventh district includes 104 suburban municipalities in Cook county and parts of wards 13, 19, 38, and 41 in Chicago.

Mrs. Van der Vries has just completed her 10th term in the state legislature, and she ranks 20th in point of seniority in the House. During her years in the legislature, she has served as an active member of most of the important House committees. She has been chairman of the committee on municipalities for five terms.

Ralph Sadler and Mrs. Dorothy Wehrenberg spent Christmas in Milwaukee with the Edward Sadler family.

Mr. and Mrs. Ray La Marche and Mrs. Pauline La Marche were week end guests in the August La Marche home.

Mr. and Mrs. Arthur Potts and family attended the 25th wedding anniversary of Mr. and Mrs. Eckert Carlson at the VFW hall in Highland Park Sunday evening.

Mr. and Mrs. Melvin Townner enjoyed Christmas supper with Melvin's parents, the James Towners, in Mundelein.

Pfc. Robert Dickinson and wife left Monday to return to Denver, Colo., where Bob is attending U.S.A. school, after a holiday leave spent with home folks.

Miss Annette La Marche left Christmas eve via Eastern Air Lines for Haines City, Fla., to spend two weeks with her aunt and uncle, Mr. and Mrs. C. L. Reed.

Charles and Kenneth Haseman, Bradley college students, are home with their parents, the Elmer Hasemans, for the holidays.

Rev. and Mrs. Paul Irion and Mark are entertaining Mrs. Irion's grandmother, Mrs. J. G. McElfresh of Elyria, Ohio.

Ralph Sadler and Mrs. Dorothy Wehrenberg spent the New Year's holidays in Calumet, Mich., with Ralph's mother.

Wilson school

At 4 p. m. Sunday, fire broke out in the garage of the Terrace Fitzpatrick home on Waverly rd. in Pingate Highlands. Details can be found elsewhere in this paper.

The entire community was saddened by the death of George Klehm and sympathies are extended to the Klehm family. George Klehm was the father of Henrietta Klehm, principal of the Wilson school.

The executive committee of the Wilson school PTA will meet Thursday evening, January 3, at the home of Mrs. William Schneider in Arlington Heights.

Monday evening, January 7, at 7:30 p. m. the Red Cross class will be organized at the Wilson school under the direction of Mrs. Jean Beckway of Arlington Heights. All those interested in this nine week course are invited to join.

The Cub Scouts will meet Tuesday, January 8, and the Boy Scouts Wednesday, January 9. Both meetings will be held at school at 7 p. m.

Kenneth Wallor of Pontiac, Ill. spent Christmas week with his cousin, Andrew Wallor of Palatine rd.

A standard first aid class, open to all interested persons, will be held from January 7 until March 10 at the Wilson school on Palatine rd., one half mile west of Rand rd. The two-hour classes, a part of the civil defense program, will begin at 7:30 p. m.

These classes were organized by the Wilson school PTA. For further information contact Mrs. Jean Beckway at Arlington Hts. 505-J or Mrs. Andrew Wallor at Arlington Heights 7167-R.

At Orchestra Hall

Bruno Walter comes to the Orchestra Hall podium next week to conduct the Chicago symphony orchestra in the first fortnight of his engagement as guest conductor. The following two weeks, the concerts will be conducted by George Schick, assistant conductor; then Walter returns for a final two weeks. These are the six weeks when Rafael Kubelik is in Europe, as guest conductor of the Concertgebouw orchestra in Amsterdam.

Walter has programmed for the mid-week pair, Thursday eve-

MRS. JOS. REMSING

Forest River

The Christmas holiday was saddened for the family of Jim Brewer by the sudden death December 24 of Jim's mother, who made her home in Evanston. Mrs. Brewer Sr. was laid to rest after services in Evanston in All Saint's cemetery.

Mrs. Eleanor Doolittle, sister of Mrs. Cora Miske, gave a luncheon at her home on Sayre ave. in Chicago, Thursday. She had as her guests Mrs. Miske Sr. and Jr., Mrs. Cully and Mrs. Remsing Sr. It was a sort of post-Christmas party.

William Bahmaier of Hapsburg Inn left Thursday for a visit with his parents and other relations in Germany. He is expected to be gone for the month, during which the Hapsburg Inn is closed for their annual vacation period. Mr. Bahmaier's father has been ill for quite some time, and this is Bill's first visit home since coming to America.

Mr. and Mrs. Charles Engel are again grandparents. As of December 18 their son, Bob, and his wife had another daughter.

MRS. FRANK MacKNIGHT

Prospect Meadows

Mr. and Mrs. Howard Johnson of 612 Foundry road, found their holidays filled with friends and neighbors. Thursday after Christmas they entertained the B. J. Lowmans of 602 Foundry and the Ronald Longs of 616 Foundry. Friday they were visited by the Charles Conways and the Albert Webbers of Larkdale Lane. Saturday they went into Chicago to meet surprise visitors from Nevada, Mr. and Mrs. Richard Harrison, who came in to spend a few days in Chicago.

The home of Mr. and Mrs. John Brogni of 608 Oriole Lane was made brighter by the arrival home of their daughter, Veronica or "Chi-Chi" as she is known to her friends. She is spending the Christmas and New Year holidays at home. "Chi-Chi" attends St. John's school in Milwaukee.

Mr. and Mrs. Paul Engstrom of Oriole Lane were visited over the holidays by his father, C. L. Engstrom of Sioux Falls, S. Dak.

There have been a number of block and sectional parties held in the last week or two. One of those was a New Year's eve affair held by several couples on Oriole Lane at the home of the Richard Halabins. Two of those couples attending were the Chester Dutkowskis and the Walter Ulans. Another eve party took place at the home of Mr. and Mrs. Ronald Long, who held open house for Foundry rd. Albin Lane also gathered together for a block party.

Karen Bethke of 612 Bob-O-Link had her fourth birthday party December 29. In the afternoon she entertained several of her friends, Diane Campbell, Stephen Boltz, Cynthia Burt, and Patty Tucker. That night her mother's family came out to help her celebrate; the following night she was the honoree when her father's family came out for the occasion.

December 23 Mr. and Mrs. Ronald Long gathered with a group for an annual Christmas party given in Chicago. Christmas eve, they entertained the B. J. Lowmans and the Howard Johnsons of Foundry rd. Since

ning and Friday evening, January 10 and 11, Haydn's D Major symphony, which he introduced to the orchestra's repertoire with great success when he was guest conductor in the 58th season; Strauss' Tone Poem, "Death and Transfiguration;" and the Schumann Symphony No. 1, B Flat Major (Opus 38).

LIBRARY CORNER

Hours
Monday - Friday
3 to 8 p. m.
Saturdays
9 a. m. to 6 p. m.

The Arlington Heights public library is open now on Saturdays from 9 in the morning until 6 in the evening and on week days from 3 p. m. until 9 p. m. The loan period is three weeks for most books.

Patrons are urged to make use of various aids to the consumer which the library has. The monthly publication Consumers' Research Bulletin has tested evaluations for a wide variety of products and includes recommendations on movies and phonograph records. Its stated purpose is "to provide unbiased information on goods bought by ultimate consumers."

THE WEEKLY Saturday Review of Literature, besides providing help for the potential book buyer and reader, has an entire section on recordings including articles on music, reviews of new musical and dramatic recordings and recommendations for all types of records, popular, classical and children's in all speeds. The Saturday Review of Literature also has ratings of movies and television and radio programs. Another source of movie ratings is the National Parent-Teacher magazine. Consumers would do well to read evaluations in these periodicals before spending their

time and money for what may prove unsatisfactory goods.

WBBM's Invitation to Learning Sunday morning at 10:35 o'clock has completed the series of discussions on the subject "Grandfather's Bookshelf." This mythical grandfather was an unusually discriminating reader. The last book from his shelf to be discussed was Meredith's novel, Diana of the Crossways, which was based on the life of Caroline Norton, Richard Brinsley Sheridan's granddaughter.

In this novel, society is the villain, but its heroine, a woman of beauty and brains with a "growing soul," comes out triumphant. This is one of the few books, according to Jan Struthers, which can describe a witty woman and make her witty and show what a writer goes through when he is writing. It is also remarkable for its portrayal of a deep friendship between women. It has one of the most convincing love scenes and a wonderful denouement of love, but its first chapter, the panel agreed, is the worst chapter in English literature.

Next week this radio program will begin a series of discussions of books suggested by listeners. The first is "The Way of All

Flesh," by Samuel Butler, a satire directed against bad parents.

Public Notice

Notice of Proposed Change in Electric Schedule E-3
PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS hereby gives notice to the public that it has filed with the Illinois Commerce Commission on December 24, 1951, a revision in Rider 19, Electric Service For Defense Customers, which is applied to large industrial customers who require new or rebuilt electric service facilities on their property for production of materials for defense purposes.

The text is revised to redefine the type of plant to which the rider is applicable. Other changes are proposed to simplify administration.

Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

A copy of the proposed change in the schedule may be inspected by any interested party at any business office of this Company.

Nothing Wrong with My Tummy

Three-year-old Judith Gorman, of Houston, Texas, has been battling polio two-thirds of her life. After she was stricken two years ago, she went home from the hospital with braces and crutches. Now she's back at the Southwestern Polio Respiratory Center in Houston for an operation which doctors hope will help. The center is one of several sponsored by the March of Dimes for respiratory polio cases.

MIDDLE GRADE READING

by MARGARET MARRON

The middle grade reading program is a continuation of the developmental work that is begun in the primary grades.

Our two main goals are to strengthen the child's interest in and desire for reading and to develop skills and abilities he needs for successful reading at any given level.

You might ask, "How do we work toward accomplishing these goals?"

Essentially, we accept the child where he is and try to take him as far as he can go in light of his individual potentialities.

Through shared experience chats, interest inventories, volunteered information and conversational clues, we learn about the child's personal experiences, his background and his immediate interests. With his knowledge at hand, we then establish the link between reading and these experiences.

At this level there are three distinct phases of reading; namely, basic, extension, and free.

THE BASIC reading involves reading, discussing, and reacting to the stories in the Scott Foresman Curriculum Foundation Series. For this work the children within a class are grouped. This environmental manipulation is simply a means of permitting children to progress happily at their own pace with a distinct respect for their mental and physical strengths or weaknesses.

The general methodology for the basic reading consists of five steps. The first involves establishing background for the stories through informal discussion. During this discussion, the new words are presented with the meaning association that they will have in the story. The class then reads the story silently.

The second step consists of guiding the interpretation of the story. The children are urged to express their reaction to what they have read. Children's reaction to what they have read hinges closely upon their past experiences. The story may be read orally. However, the only purpose in oral reading in the middle grades is to detect reading difficulties.

STEP THREE consists of developing skills by means of special exercises. A great deal of work is done in establishing word attack through meaning clues, word-form clues, structural clues and phonetic clues. Individual work is done on the basis of need as observed from the silent reading. The more adept a child is in applying clues for unlocking words, the greater will be his independence in reading.

Step four consists of the use of the workbook. Each child is given the opportunity to apply in new situations his reading, thinking and language skills.

Step five consists of directed activity that extends the child's interest in reading and poetry.

The basic reading stories serve as a springboard for the extensive reading. A variety of supplementary readers of comparable vocabulary and of similar interest area as the basic readers are made available to the children. Children who are capable of doing extensive reading are permitted to share verbally their experience with the class.

THE FREE reading material is drawn primarily from the library. The fourth and fifth grades have a regular library period

In the Shadow of The Steeple

by William O. McGill

She was a poor soul, that first night she dropped into the church; she had not had much education. There was so much that she did not know. By some strange quirk of fate, she decided that she did not have to remain so completely in the dark. Since she did not understand every word that was used in the sermon, she bought herself a dictionary, and took pencil and paper to church. Every word that was beyond her understanding was written down and looked up afterwards.

After some years, her friends are a little astonished at the words she uses, the things she knows.

Not too much later, after she started going to church, she bought herself a copy of the church hymnal. She went over every song after every service, with her dictionary as well as her heart and understanding.

THERE WERE times when things were mentioned from the pulpit of which she had never heard. Sometimes a mission field, sometimes a doctrine of belief, sometimes a way of thinking. For a time she hesitated to ask him questions. But when she finally gathered her courage, she was amazed that he was so willing to tell her all he knew about the thing she was interested in, and to offer suggestions where she might learn more.

One day there was going to be a need for a teacher for an adult church school class. Someone asked her to do it. She knew that she had so little education and background for the task, that she spent a great deal of time preparing herself. She was so well prepared that she was asked to teach again and again.

She never asked anybody to get to her level; she always tried to reach the optimistic level they set for her. I know a man who knows her; he speaks of her life as an adventure which began when she decided to learn to listen.

LETTERS of Judge Banks

... to his daughter

My dear Daughter:

Did you know that your bank deposits are protected by law?

You've read the words, "Member Federal Deposit Insurance Corporation" on the window of the bank. When you see this, and the seal, you know that the deposits in checking and savings accounts in that bank are insured against loss up to the amount of \$10,000.

In this country, bankers are constantly seeking more ways to protect the funds of citizens. This law is solid assurance. This insurance gives a warm feeling, for THERE IS NO OTHER COUNTRY WHERE EARNINGS ARE PROTECTED AS THEY ARE IN THE U.S.A.

Love, Dad

P.S. Be sure to look for the seal!
